WORK EXPERIENCE

QBE Insurance – GSSC (Group Shared Services Centre) Insurance Specialist | 2013 to present

Current Responsibilities

Mercedes-Benz

- Oversee QBE's premium Motor Vehicle portfolio, supporting dealerships and clients nationwide with end-to-end policy management.
- Manage 60–80 weekly policy enquiries covering billing, alterations, cancellations, renewals, and documentation, ensuring accuracy, compliance, and service excellence.
- Resolve missed payments proactively, eliminating delinquent accounts and safeguarding premium compliance across the portfolio.
- Coordinate with internal teams (Claims, Dispute Resolution, IT) to resolve client concerns efficiently and uphold service standards.
- Provide underwriting guidance to dealerships and conduct manual renewal reviews of flagged policies, ensuring profitability, compliance, and portfolio integrity.
- Investigate and resolve client complaints in line with Australian insurance regulations, maintaining compliance and protecting client trust.

DIGI Small Business Insurance

- Manage end-to-end policy processes for small business clients across Australia, managing policies obtained through online channels and call centers.
- Deliver seamless service to entrepreneurs and sole traders by efficiently handling policy setup, billing, renewals, and client support.
- Address cover enquiries and mid-term policy alterations, ensuring clarity, accuracy, and compliance in all documentation.
- Prepare and issue essential policy documents including Certificates of Currency, tax invoices, payment histories, claims histories, and renewal letters.

Remediation for Motor/Home/Business/Farm Insurance

- Verify financial discrepancies by reviewing client accounts and transactions, ensuring accuracy and adherence to regulatory standards.
- Engage clients and brokers directly to resolve issues, manage escalations, and issue refunds promptly, reinforcing trust and protecting company interests.
- Execute remediation actions with precision, maintaining strict compliance, documenting cases for audit readiness, and safeguarding financial integrity.

Domestic Portfolio (Intermediaries, Financial Institutions and Brokers)

- Direct a portfolio of insurance policies distributed through intermediaries, brokers, and banks, serving as the key liaison to interpret requirements and deliver tailored solutions that enhance responsiveness and service quality.
- Advise business partners on policy changes including alterations, cancellations, and documentation, ensuring full compliance with QBE standards and minimizing processing errors.
- Negotiate contracts, pricing, and agreements with brokers and financial institutions, aligning client objectives with organizational goals and fostering sustainable, long-term partnerships.

CORE SKILLS
